The 1957 Black and Gold staff dedicates their book to Mr. Donald (Doc) Canfield for the understanding and help he has given to the whole school body in both personal and academic problems, for his directing the senior class play, for the guidance he has given us seniors in choosing careers, and in particular, for his overall gay and warmhearted spirit with which he greets each and everyone of us at Perrysburg High School.

We believe that dedicating our yearbook to you, Mr. Canfield, is just one small way of saying thank you for all of these things.

Board Members are from left to right: Robert Beck, Norm Witzler, Don Simmons, Robert Pierson, Richard Britton, and John Landwehn.

MR. ROBERT PIERSON

Mr. Pierson came to Perrysburg High School in 1956.

Before coming here, Mr. Pierson received his B. S. in Education, and M.A. at Ohio State University. He also attended the University of Wisconsin. Mr. Pierson is presently working toward his Ph.D.

Immediately preceding his coming to Perrysburg, Mr. Pierson was research assistant at the Ohio Cooperative Program in Educational Administration, Ohio State University, for two years.

MR. REX MURPHY

This is Mr. Rex Murphy's first year as principal of Perrysburg High School.

He earned his B. S. at Kent State University, M. A. at Western Reserve University, and is currently working toward his Ph.D. at Western Reserve.

Besides being principal, Mr. Murphy has worked to his fullest capacity for the benefit of the students.

Since this is his first year here we know that he will continue to work for the betterment of our school.

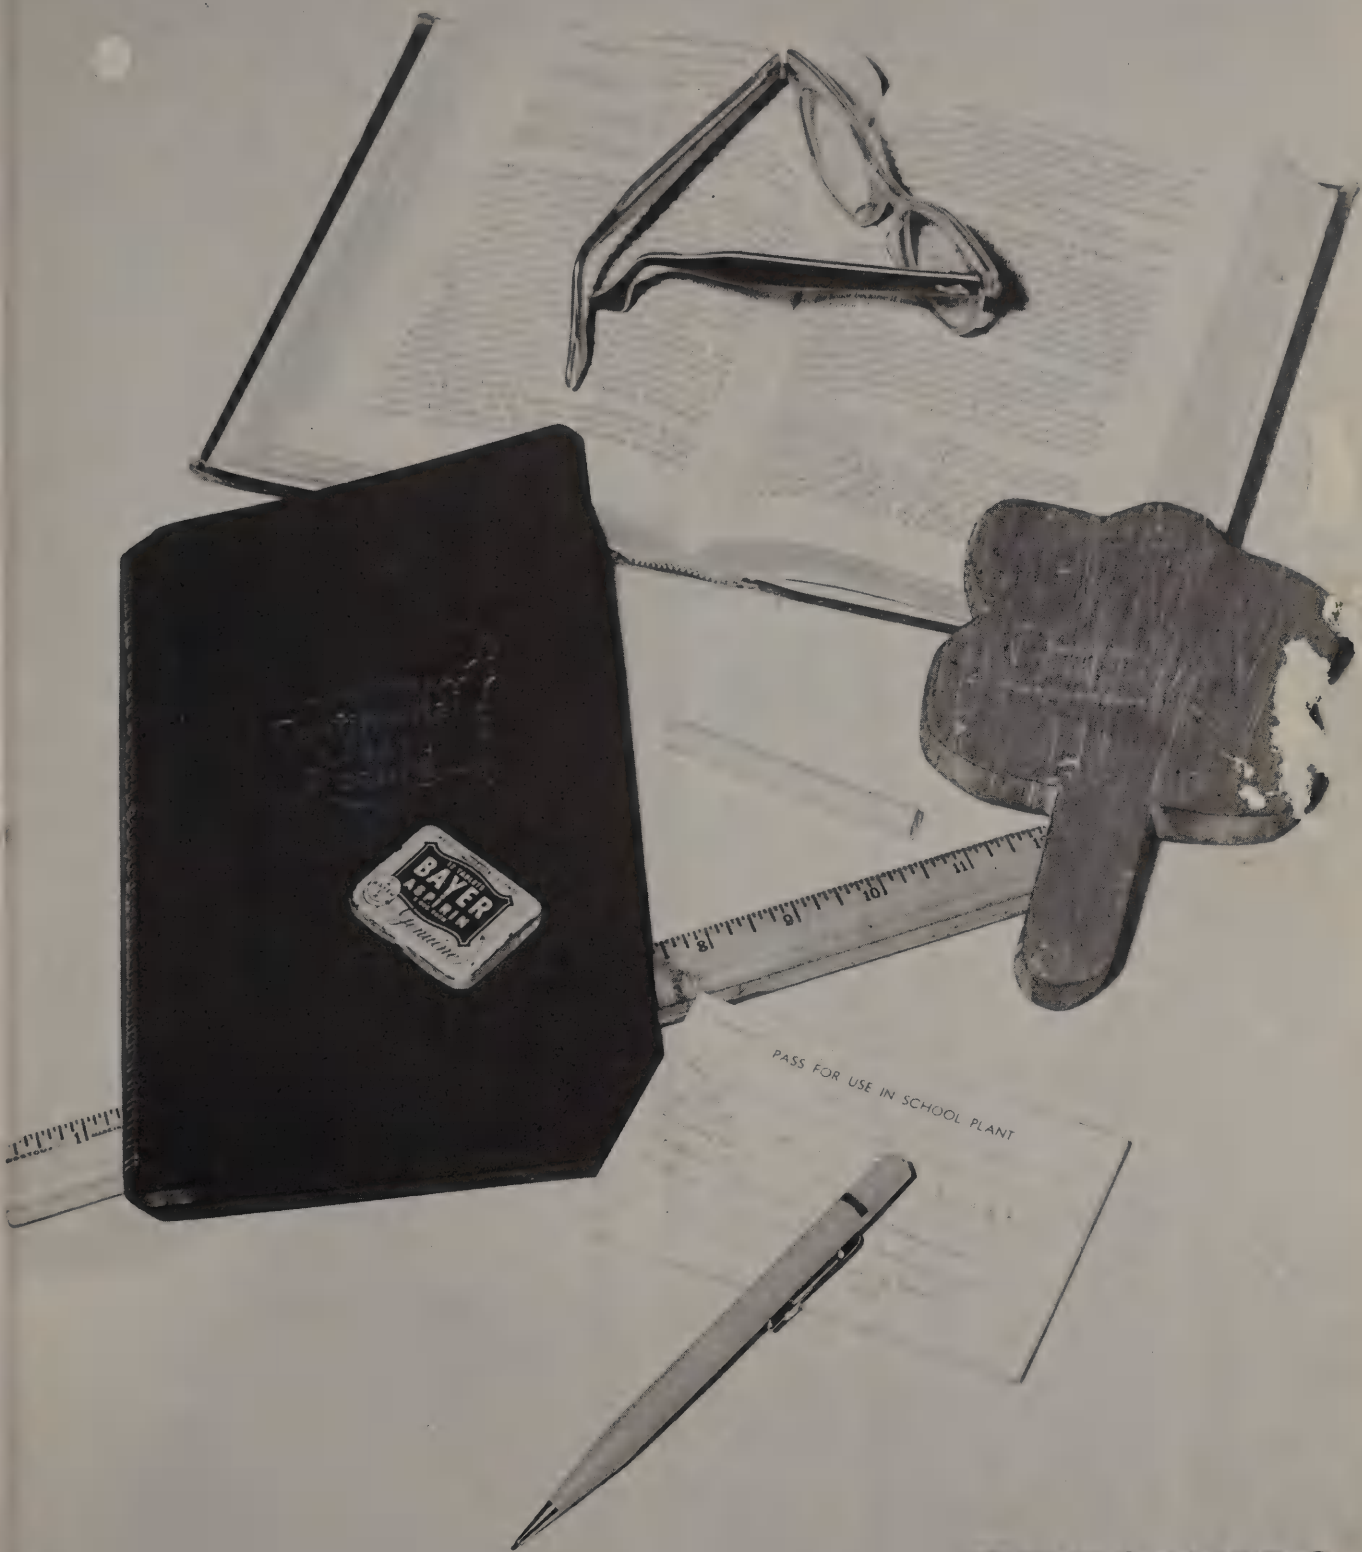

MR. O. C. TREECE

Mr. Treece is acting Principal of the Junior High.

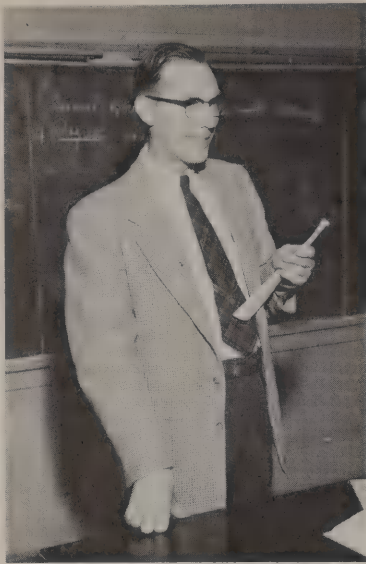

Besides his other important duties, Mr. Treece still finds time to teach an algebra class.

Mr. Treece earned his B.S. at Bowling Green State University. He also did advanced graduate work at Columbia and Ohio State University.

THE CLASS OF 1957

The class of 1957 has struggled through four years of high school and we have finally finished our last year of school.

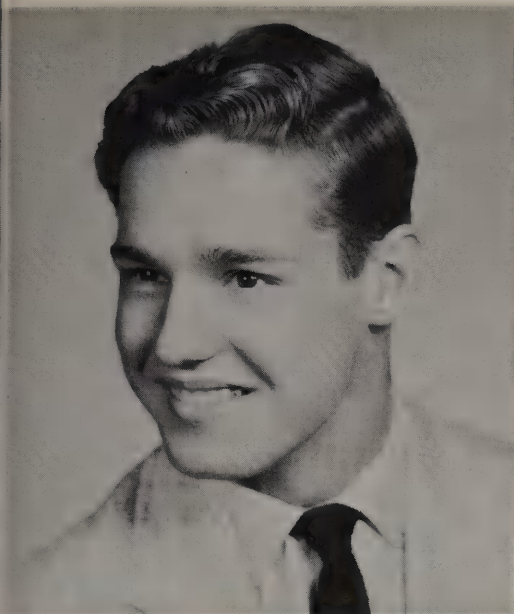

With Mr. Notestine, Mrs. Braun, Mr. Manchester, and Mr. Jones leading us, we began our freshman year with Tom Dunbar, President; Tony Sanders, Vice-President; Jane Bortel, Secretary; and Jeannine Himburg, Treasurer. We had no big class projects, other than getting used to the fun and troubles of high school life.

By the time our class became Sophomores, we had slowly learned that there was hope for us after all. Tony Sanders was our President, with Neil Ford, Vice-President, Jane Bortel, Secretary, and Carole Ries, Treasurer. We started a new school tradition by taking a class trip to New York, and we held a very successful dance, the "Shamrock Serenade", under the supervision of Mr. Braund, Mr. Jones, Mr. Huebner, and Miss Reuthinger.

As Juniors we proved our ability to work together

by sponsoring the "Junior Record Hop", the Senior Farewell Convocation, and the "Junior-Senior Prom." Mr. Wolfe, Miss Morgan, Mrs. McHugh, and Mr. Strow gave us much support as our class sponsors. Gary May, President; Jack Austin, Vice-President; Kay Goeke, Secretary; and Bob Trowbridge, Treasurer; exhibited their leadership abilities by guiding us in our selection of a class ring—the big event of our Junior year.

And now we are Seniors. A bit battle-scarred but wiser, we have come to the end of our struggle. Our year was a very successful one—we had two class picnics, sponsored the Christmas Dance, went to Washington, published the Yearbook, and "Something". Having been led by Ron Reis, President; Jack Austin, Vice-President; Kay Goeke, Secretary; and Bob Trowbridge, Treasurer; and our sponsors Mr. Wolfe, Mr. Braund, Mr. Zeitler, and Mrs. McHugh, we're now ready for graduation.

DOUG PARRISH
Junior Half-Back

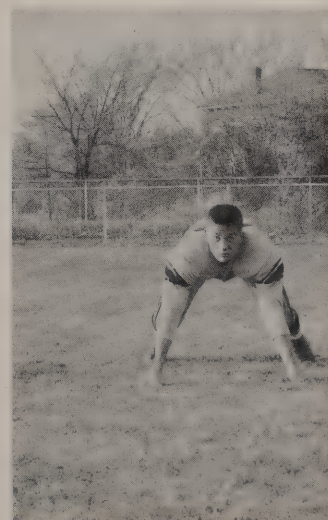

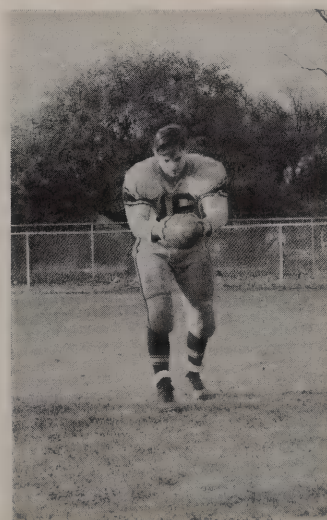

Doug was one of the hardest running backs on the team. He could always be counted on when we needed a yard or two through the center of the line.

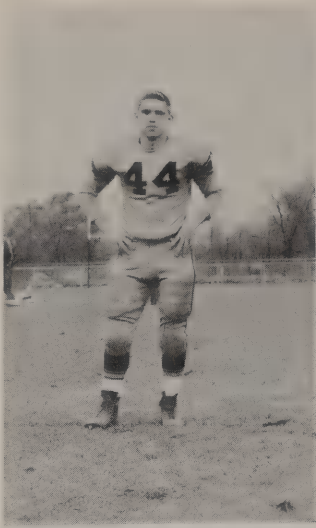

DICK SABO
Junior Half-Back

Dick was one of the best punters in the conference. His toe got us out of trouble many times. Dick will be a great help next year.

JIM DECKO
Junior End

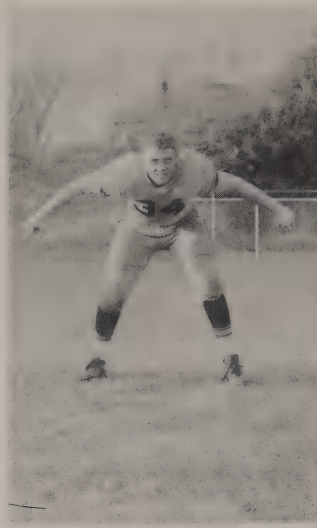

Defensively, this end was part of our main unit. He knew how to play his position and will take care of it next year.

GARY MAY
Senior Guard

Known on the gridiron as a hard-nosed player, Gary is a four year letter man. He was one of Perrysburg's placements on the All-Conference team this year.

BILL BECK
Senior Line-Backer

In his last year at Perrysburg, Bill showed much skill and determination, which gave him the Defensive Line-backer spot on the G.N.C. first team.

MAC BOSTDORF
Senior End

This fine end had a total of 584 yards rushing and an average of 18.8 yards per carry. He placed on the all G.N.C. team and ably went both ways.

FRANK SATTLER
Senior End

Frank was one of the mainstays on our offensive team this year. He caught 8 passes for a total of 108 yards. He also earned a place on the G.N.C. team.

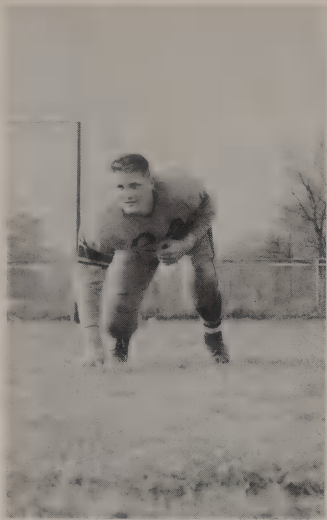

JIM WILSON
Senior Tackle

Jim was one of our most aggressive players, having set the individual record for 82 tackles. One of our two-way men, he made the G.N.C. team.

RON REIS
Senior End

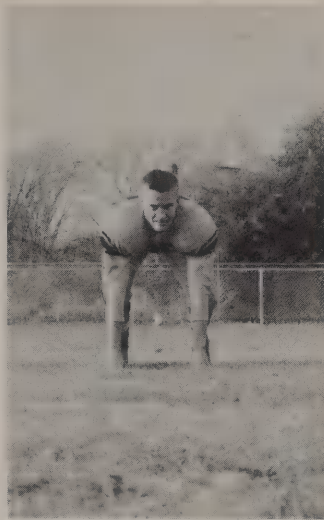

This All-Conference Defensive End played 38 quarters. Although light, he made up for this in skill and determination, making him a hard man to replace.

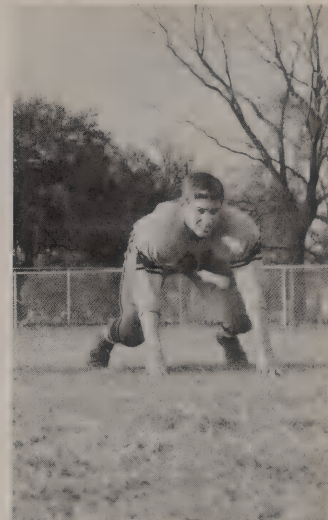

TOM KING
Senior Tackle

Although this was Tom's first year at football, he proved to be one of the biggest and roughest boys on the team. Tom played in the middle of our defensive line and many of his opponents will not easily forget him.

TONY NITSCH
Senior Guard

Tony held down the offensive guard spot this year. Many of our plays depended on him and his blocking. He was a real asset to the team this year.

JOHN MORSE
Senior Guard

During this, his fourth year of varsity ball, Moose played a hard and determined game, which did the school credit.

BRATCHE, WEBSTER
Junior Tackle

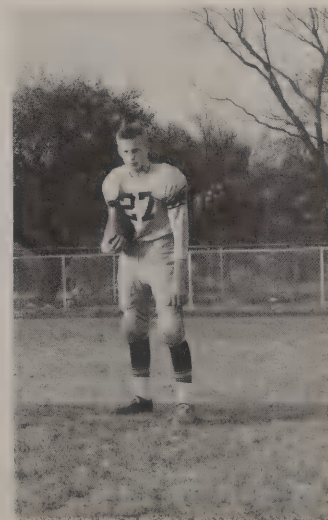

Bratche was the biggest "boy" on this year's team. He was part of our "beef-trust" and will be a boy to watch next year.

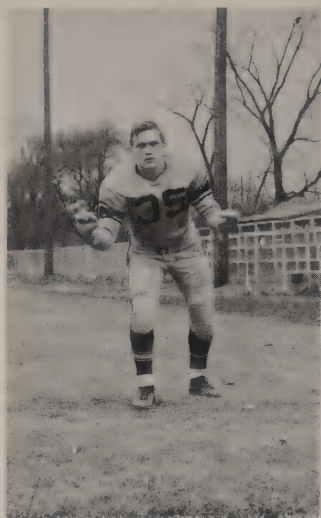

JERRY GLANVILLE
Sophomore Center

Jerry was a versatile player, playing at both offensive center and defensive line-backer. As the year progressed, Jerry learned a lot which will make him valuable during the next two years.

TOM HILLABRAND
Sophomore Quarter-Back

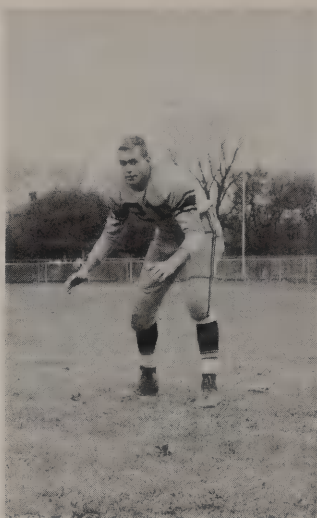

Although only a sophomore, this is Tom's second year with the varsity. His outstanding athletic ability will make him a real help to the team in the next two years.

BOB DESTATTE
Senior Full-Back

A late-starter, coming from Maumee, Bob found a place here at Perrysburg and on our team. Bob will be missed next year.

JOHN SCHULT
Senior End

John did much to help the team this year. Although he didn't see much action, he was always ready and could be counted on both in practice and in games.

RAY SWARTZ
Senior Tackle

Although this was Ray's first year on the team, he proved he could do it. He played in the center of the defensive line and helped make a powerful defensive team.

BOB RYDER
Junior Line-Backer

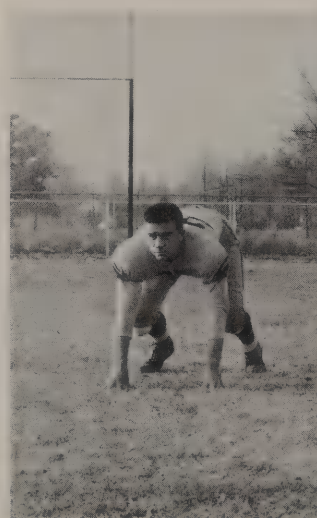

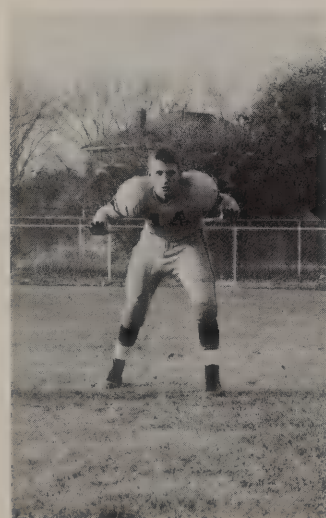

Bob played mostly at the defensive line-backer position. This is Bob's second year of varsity ball and he will be a rough boy next year.

DICK DEILEY
Junior Tackle

This 198 pound tackle was a big part of our beef-trust. Not many men were able to get through Dick because of his size and blocking ability.

DENNIS SZILAK
Junior Full-Back

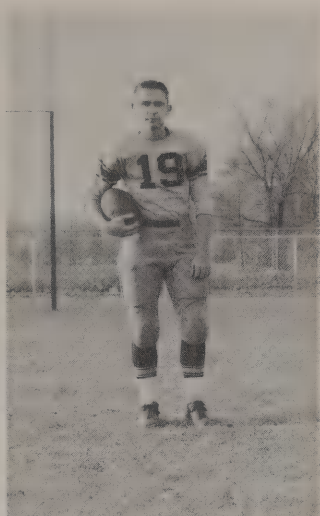

Dennis was one of the mainstays of the team this year. Although only a Junior, he held down the first-string fullback slot. His faking ability picked up a lot of yards for Perrysburg.

NEIL FORD
Senior Half-Back

Neil was one of the lightest men on the team, yet he carried for more yards and more TD's than any other player. This All-Conference "Scatback" was one of our most valuable players.

TONY SANDERS
Senior Quarter-Back

Tony was a fine quarter-back. He played 38 quarters, and readily adapted himself to the new types of plays. He earned a berth on the G.N.C. team this year.

JOE WHITWHAM
Senior Half-Back

Joe was one of the swiftest and shiftiest runners on the team this year. When he got the ball, we could count on some yardage every time.

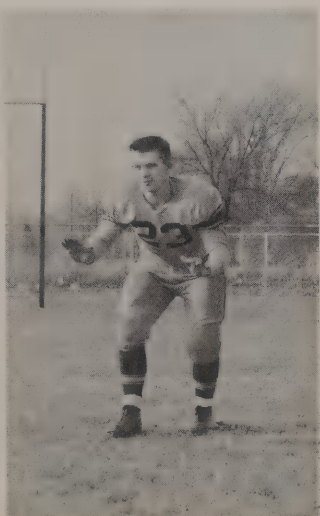

BOYD MARSH
Senior Tackle

Boyd was one of the biggest men on the team. He played both offense and defense, and was one of the main cogs on our defensive unit.

JIM RUSSELL
Senior Center

Jim ended his high school football career by placing on the All-Conference team. It will be hard to find a better center next year.

BOB BURKHARDT
Senior Tackle

Bob, who went both ways, made the G.N.C. team. With 71 tackles to his credit, it will be hard to find a more aggressive player next year.

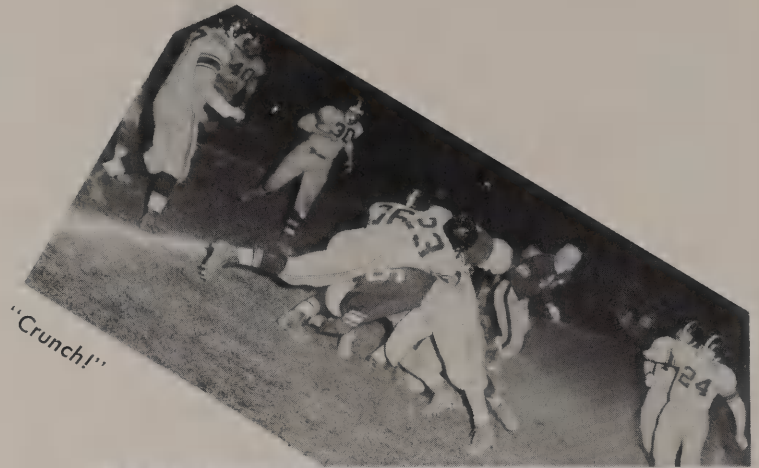

JIM JONES

Junior Line-Backer

Although Jim had an accident in school which made him miss the last part of the season, he played enough to earn a letter. He was a rough boy and one of our best linebackers.

Managers

Coach
ED WOLFE

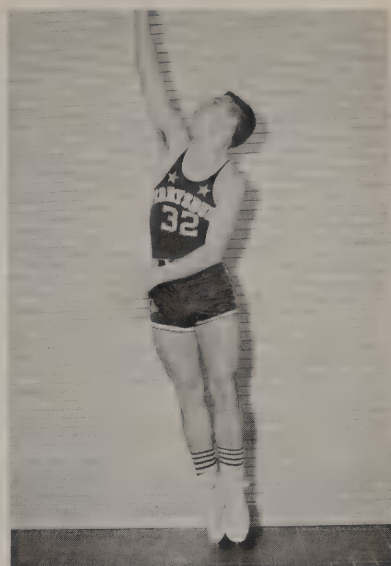

BOB TROWBRIDGE

Bob led the team in points. He was very tough on the boards and in his first game grabbed 28 rebounds, and continued to be as effective during his second full year as a regular.

MAC BOSTDORF

Mac broke into the starting right after Christmas vacation, and was a consistent scorer for the remainder of the season. This was Mac's first year at basketball although he played some reserve ball his sophomore year.

TONY SANDERS

Tony was the floor general for the team and was also one of our leading scorers. He was the work-horse of the team.

TOM HILLABRAND

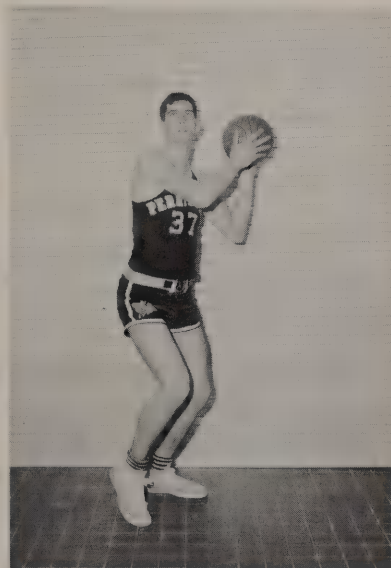

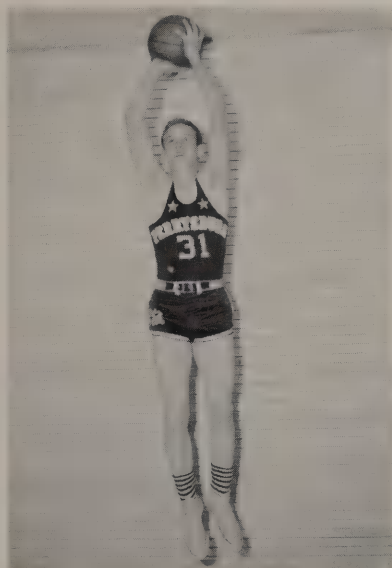

As a sophomore, Tom earned his first letter in basketball by proving to be a potential prospect for the future. He played mostly in the relief role, but he played some excellent ball.

DAVE ROGERS

Dave was the tallest boy on the team this year. Although only a sophomore, he played some varsity ball, and was particularly good on the rebounds.

JACK AUSTIN

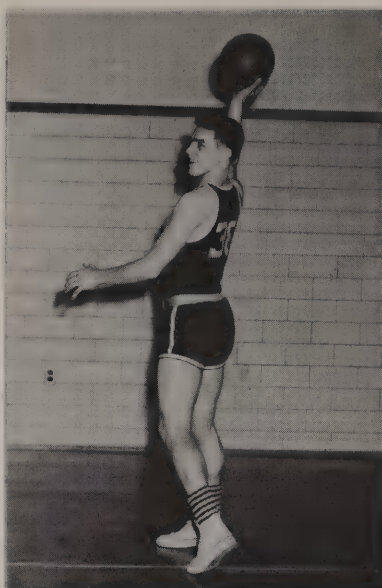

Jack again plagued the opposition with his very effective drive-in and quick jump shot. This year Jack played despite a weak knee and earned his second letter in basketball.

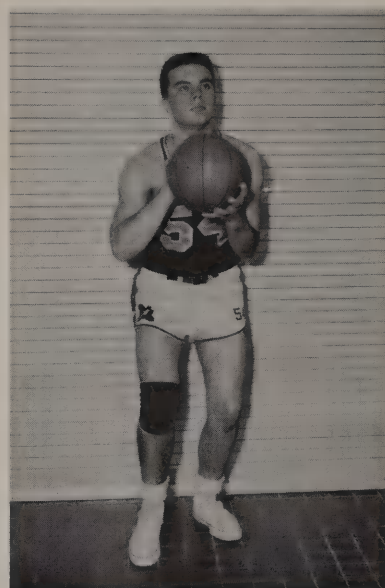

NEIL FORD—SENIOR

Neil earned his second letter and scored over 100 points in 14 games. He was a standout on defense and had a good set shot from the side. The team will miss him next year.

FRANK SATTLER

Frank, after getting off to a slow start because of an ankle injury, filled in with his best whenever called on. He was mainly a forward, but ended the season playing the pivot.

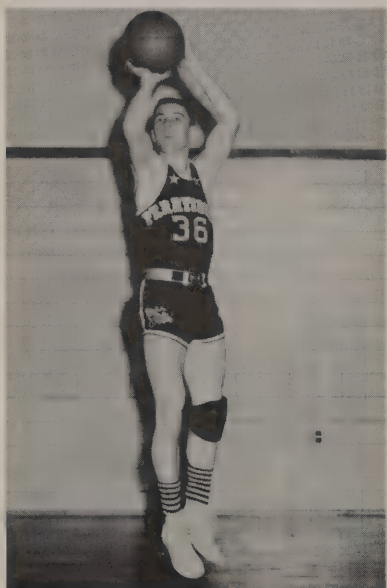

DICK DEILEY

Dick was another player that alternated between the reserves and varsity. "Tank" plays a hard fought game and can give the opposition trouble in rebounding and determination. Dick is expected to do a lot for the team next year.

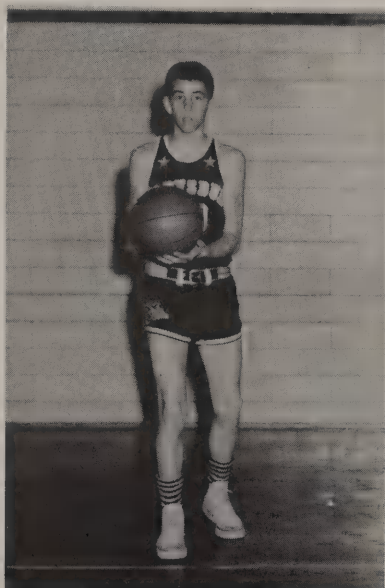

BILL DHONDT

Bill, after getting a good start in reserve ball, was soon scoring in double figures. From there he came up to the Varsity squad and saw limited action, but he should carry his share of the load next year.

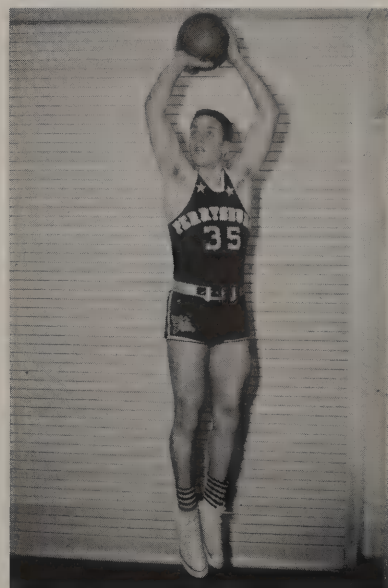

BOB AUSTIN

Bob was one of the best set shots in the school and uses it very effectively. He can hit also with a good jump shot and will be a big help to Perrysburg in the next two years.

JIM DECKO

Jim was one of the few boys who alternated between the varsity and reserves this year. When he was called upon, he could be counted upon to do his best. Jim will be one of the mainstays of the team next year.

It Pays Me
TO HAUL MY GRAIN
TO THE ANDERSONS

Higher grain prices . . . Generous premiums for good qualities . . . fast, efficient service. These are all good reasons to say, "It pays to haul grain to the Andersons."

There is another good reason, however. Farm and home necessities may be purchased at the Anderson Warehouse Market at prices you can't afford to overlook.

Glass Has Made A Difference

Now is the time to reflect upon the “good ole’ days” in school—the many friends, your favorite teachers, sports and dances and parties. But when looking at today’s school architecture, we think you’ll agree that glass *has* made a difference!

Here’s picture-proof that school corridors don’t have to be dark and dreary tunnels. No longer must walls be solid and opaque. Today, more attention is being paid to daylight and view.

When reflecting upon the advantages of this glass age, we think you’ll agree that the “good *new* days” are better.

From this tiny marble comes a

97-mile-long filament

It's a ball of glass... made from three basic elements as common as the sand beneath your feet. But it's the starting point for a thousand-and-one new things for better living.

For from this tiny marble can come 97 miles of gossamer-fine Fiberglas* filaments—one of the most versatile and amazing creations of man!

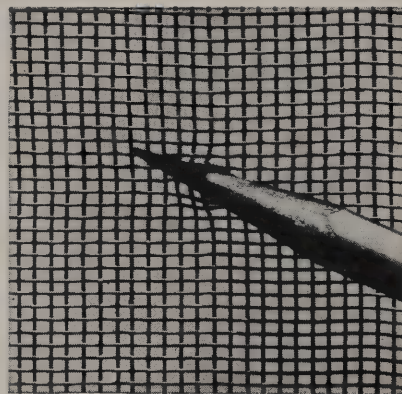

Fiberglas products, some made from marbles, some in other ways from the basic ingredients, insulate against heat or cold... absorb noise and racket... make the strongest screening known to man... reinforce plastic for bullet-proof body armor... enable firemen to walk into flaming 2,000-degree oil-well fires without harm... and daily perform a host of other eye-popping tasks.

Ice cream, wrapped in Fiberglas Insulation, is placed in a hot oven with an unbaked apple pie. Half an hour later the apple pie is perfectly baked... and the ice cream, protected by the wrapper of Fiberglas Insulation, is still frozen hard!

Men from Mars? No—firefighters dressed in protective suits made with Fiberglas Insulation. With these suits, firemen can move right into searing 2,000-degree oil-well fires! Reflective outer shell bounces back some heat, quilted Fiberglas lining takes care of the rest.

The strongest screening known... made from Fiberglas vinyl-coated yarns. It's rot-proof, rust-proof, stain-proof and it never needs painting! Push a pencil through Fiberglas Screening and... the screening snaps back into place undamaged!

From the old glass-blower's art has come a great new American industry. Already, thousands of different Fiberglas products are in use... many of them doing what no other material ever has done before—and more are on the way! Owens-Corning Fiberglas Corporation, Toledo 1, Ohio.
